

SWORBHP DOC TALK

IN CELEBRATION OF PARAMEDIC SERVICES WEEK

Please join us for the inaugural SWORBHP DocTalk Virtual Conference! Throughout the day, SWORBHP staff and Medical Directors will be presenting about various topics related to paramedicine in the Southwest. The day will be initiated by Julie Manning, SWORBHP's new program director, highlighting the achievements and milestones that the program has accomplished over the past year. The rest of the day will be filled with engaging conversations about pertinent hot topics in prehospital medicine. Feel free to join throughout the day as your schedule permits. The virtual conference will be recorded and hosted on the SWORBHP website for viewing at a future time. Attendance of the conference can be submitted for ACP CME and MOC CME points.
